

## ACE PROGRAMS

### CHILDCARE PROGRAMS

#### AM PROGRAM:

Children are greeted by the same staff each day, which allows a sense of stability and familiarity to develop.

Program staff prepare in advance, fun and stimulating activities for the children to enjoy. In addition to active play, children have the opportunity to socialize with their friends.

*JK to Age 12*

### GENERAL PROGRAMS

#### HOMEWORK CLUB:

A quiet place for the children to complete any homework supervised by a Registered Early Childhood Educator.

*ALL GRADES*

#### LEADERSHIP TEAM:

A chance for our older students to take on a leadership position and gain valuable skills while assisting our program providers with programs they are interested in.

*GRADES 6+*

#### \*COOKING:

Children will learn the basics of kitchen safety, proper food handling, and food preparation, cooking techniques, presentation and so much more! Children will have the use of kitchen tools.

*GRADES 2+*

**INTRODUCTION TO DANCE:** Children will learn basic dance, rhythm movements and gain an appreciation for music.

*GRADES JK-SK*

## **GYMNASTIC PROGRAMS**

**GYMNASTICS:** Children will develop control, coordination and elevation as they increase the dance vocabulary. Body awareness, proper posture and awareness of space are all developed. Response to music, dynamics and expression are encouraged using balls, hoops, ribbons, etc. Boys and girls at all fitness levels can participate in for this class!  
*ALL GRADES*

## **FILM PROGRAMS**

**FILM-MAKING:** Children will be involved in every step of filmmaking process from paper to screen: scriptwriting, storyboarding, photography, set design, shooting, acting directing, and editing. Short films made by kids were nominated and awarded at TIFF Jump Cuts over past several years.  
*GRADES 1+*

### **\*ART-ITUDE:**

ARTitude is a modern approach to the visual arts; inspiring kids with topics they are already excited about. Together we explore many art mediums, using pop-culture, interactive tutorials and the joy of experimentation to build confidence and a passion for the arts.  
*GRADES 1+*

## **ART and CRAFT PROGRAMS**

**\*ARTS and CRAFTS, CREATIVE ART:** Is your child budding with enthusiasm for creating arts and crafts? Our youngest students greatly benefit from visual arts! Our kids' art and craft classes are a wonderful way to introduce lessons to your children by style, process, culture, media and subjects. It helps in the cognitive development, a time to investigate problem-solving, nurture curiosity, and develop self-confidence.  
*ALL GRADES*

## **MUSIC PROGRAMS**

**MUSIC:** Children will learn the basics to singing pitch, rhythm, breathing, voice and diction through familiar songs. Songs learned will be presented in a small performance.  
*GRADES 1+*

**GUITAR:** Child must provide own guitar. Learn to play classical guitar, read music and learn music theory.  
*GRADES 1+*

**INTRO TO MUSIC:** Students will gain the love of music through creative movement and without knowing it, our kids are being introduced to piano and music theory, rhythmic skills, syllable identification while singing and dancing.  
*GRADES JK-SK*

**UKULELE:** Child must provide own ukulele. Learn to play the ukulele, read music, and learn music theory. *GRADES 2+*

**PIANO:** Learn to play this popular keyboard instrument. It is strongly recommended that students own piano or keyboard at home to practice. Levels: **BEGINNER OR ADVANCED**

## **SCIENCE AND TECHNOLOGY PROGRAMS**

### **\*COMPUTER & IPAD CREATIONS:**

Children are guided to express their creativity via computers and iPads. Creating things like comics, animations, slideshows etc.
